Mevil Ford, Esq.

Dear Mevil:

I greatly appreciated your telephone call and your letter of February 19th and its enclosures. The letter I am sending out to General Heaton, who is the physician-in-charge and who is very responsive to suggestions. He has already called in a broad group of consultants.

I shall tell Foster of your letter when I next see him.

Love to Louisa and you from us both.

Sincerely,

**SIGNED**  
Allen W. Dulles
